Please refer to www.asca.org for additional information about ASCA® show rules and regulations. ASCA®-registration – entries 2-4 months and 4-6 months: If available, please include a copy of the Individual Dog registration Application (please add tail length information). You can enter for the classes 2-4 months and 4-6 months without proof of registration, please note the tail length on the entry form then.

ASCA®-registration – entries for all classes from 6-9 months on: Please send a copy of the registration certificate with your entry, if you have applied for registration, please note on the entry form! If the tail length is not given on the copy, please add it. We want to make sure in our catalogues that NBT are not mistaken with docked dogs. If you enter a docked dog born after June 1, 1998, enclose a copy of the indication letter from the vet who did the surgery giving the reason why the dog was docked and when, full address and phone number of the vet in German or English! **Please note:** Australian Shepherds 6 months or older first day of show are NOT ELIGIBLE TO START WITHOUT PROOF OF REGISTRATION and the fact that your dog is not yet registered does NOT mean that we will make an exception when it comes to paying the entry fee in time!

Authority as householder: Your host, ASCCG has the authority as householder during the show. Please note that all things that block emergency exits and/or entries or are disturbing in any other way are to be removed immediately if we ask you to.

- Please keep a 1-2 m distance from the ring, make sure that no parts of your dogs (tails, legs) are in the ring, stop disturbing behavior of your dog/s immediately, don't play with or feed your dog directly at the ring.
- We have a photo corner at the show ground and you are of course welcome to take pictures of the dogs in the show ring – BUT PLEASE DO NOT ENTER THE RING!
- All dogs (this INCLUDES puppies) have to be on leash while on the showground.
- If announcements are made, please listen to them and act accordingly.

Cancellation during the show:

Has to be done in writing in any case, if you have to cancel your start/s during the show weekend, please report to one of the ring stewards, there is a form that has to be filled in! See "Refunds Conformation & Junior Showmanship" as well.

Catalogue:

Free of charge for all exhibitors that pre-entered their dogs. All entries that are received until pre-entry closing date will be published in the show catalogue (class, start-no, ASCA® reg. name of dog, Sire, Dam, date of birth, color, Breeder, Owner) according to the information given on the ASCA® registration certificate. If your dog has accomplished titles that are not on the registration certificate, please enclose a copy of the confirmation of these titles with your entry form. Only ASCA® titles will be published. If we have enough catalogues in stock, exhibitors that enter their dogs at show date and everybody interested will get one catalogue for free. Catalogues will not be sent out via letter post/first mail before or after the show!

Change of class – Conformation:

Have to be reported to the Show Secretary (see cover page) in writing (letter or E-Mail) before pre-entry closing date! Change of class after pre-entry closing date is only possible if your dog qualified after pre-entry closing date at another ASCA® sanctioned event (e. g. went Winners Dog and is eligible for Best of Breed but you entered him for Open) and this information has to be forwarded to the show secretary in writing too! Change of classes after pre-entry closing date is – with the exception given before – not possible!

Change of dog – Conformation:

It is not possible to replace an originally entered dog with another one after pre- entry closing date, not either if the class would stay the same.

Change of dog - Junior Showmanship:

Any Junior may change dogs at a show provided the following criteria are met:

- A. The dog that they are changing to must meet the same eligibility requirements (owned by the junior or an immediate family member).
- B. The change must be made in writing before entries close or half an hour before judging for Junior Showmanship is to begin, whichever is later.
- C. The junior must report any change to the Show Secretary within the stated time limits or the change will not be allowed.

Class order:

We are enclosing the class order, it is subject to change if necessary!

Classes:

We will accept entries for all classes given on page 1 of this premium. If you need more information, take a look at our homepage (www.asccg.de), Veranstaltungskalender, Basisinformationen (in German) or see ASCA® show rules and regulations.

Clipped Whiskers:

Clipping whiskers is a violation against German law; dogs with clipped whiskers are not eligible to start.

Clothing:

Please make sure that while you are in the ring showing your dog, you are not wearing clothes/caps/belts that could identify you or your dog! E. g. shirts with your kennel name or your dog's name on it.

Day of show entries:

Will be accepted on Thursday from 15:00-17:00 pm for all your shows. On Friday from 10:00-11:00 am, on Saturday from 7:00-7:30 am and on Sunday from 07:30-8:00 am. Day of show entries have to be paid cash. If the dog you would like to enter at show date is 6 months or older, please make sure to bring a copy of the ASCA® registration certificate, add an information regarding the tail length if not given on the form. Dogs entered for the first time at an ASCCG event that had been docked for medical reasons can be entered on show date only if the vet statement (in German or English, name, address and phone number of the vet, medical reason of docking and date of surgery must be given) is included with the entry form and the copy of the ASCA® registration certificate. More information regarding day of show entries will be published on our clubs homepage (www.asccg.de), "Veranstaltungskalender" approximately 2 weeks after pre-entry closing date. Day of show entries are only possible at the showground in Freiburg on Friday and/or Saturday; an entry received with a later postmark date than June 21, 2019 is simply an entry received too late.

Docked dogs:

Dogs whose tails have been docked after June 1, 1998 are eligible to be entered in Junior Showmanship, they are NOT eligible to be entered for Conformation shows (this includes all non-regular classes and Altered and Intact Conformation) since May 1, 2002. It does NOT matter in which country the dog was living when it was docked. If the dog had to be docked because of an injury or such, the dog is eligible to be entered for Conformation but it is required that you send a written statement (in German or English!) from the vet who performed the surgery explaining what kind of accident/injury happened and when the surgery was done. Please make sure that the vet's address and phone number are readable.

Third party insurance:

All dogs brought onto the show ground have to be included in third party insurance.

Vaccinations:

Please check before you leave for the shows if your dog vaccinations are current! Double check if your vet has included the date on which the vaccinations have to be refreshed in the vaccination card/vaccination certificate, some vets tend to forget that they have to include the "best before end" date! We will check the vaccination card/certificates before we hand out the start numbers. Dogs without vaccination cards/certificates and/or insufficient vaccinations are not allowed on the showground, this includes visiting dogs! All dogs have to have sufficient vaccination against rabies, we recommend vaccination against kennel cough, puppies have to be at least three months old when they receive the first rabies vaccination; all vaccination must be at least 21 days old. Puppies younger than three months old (and therefore not vaccinated against rabies):

- If the mother is with them, she has to have a sufficient vaccination against rabies noted in her vaccination card/certificate
- If the mother is not with them, the puppy itself has to have a vaccination card/certificate that states that the puppy was only kept at home and had no contact to wildlife animals before being brought to the showground!

Please contact Mister Reintges to reserve your space, (president@ascg.de), we will charge € 30,00 incl. VAT per day.
